Natalie and her team are ready to guide you through the process and make the experience a truly enjoyable one. But don't just take our word for it...

“It was fantastic! Everyone who attended thoroughly enjoyed themselves. Food was brilliant - even the veggie options. I honestly can't fault anything about the evening! DJ and music was great as there was a real mix of different genres. I would score 9/10 and we will definitely look at booking again for next summer.”

RACHEL WILSON

“We cannot thank all of the team enough for making this possible, especially Wendy and Natalie. We first met Natalie at another venue where she previously worked and we noticed how amazing she was at her job and was over the moon when we met her again at the Lake House. I have genuinely had her up the wall for 2 years planning the wedding and she has always gone above and beyond for us in every way possible. I cannot thank her enough for everything she has done for us, so rest assured, if you book any event here, you are in safe hands”

JENNY AND LIAM

“I want to personally thank you for everything you did for our event yesterday. Nothing was too much trouble for you and you catered to our needs and more. You carried chairs, found the snacks we had not ordered became a tech expert and again, sorted that out. Thank you so much Natalie, you really helped us out and I can't thank you enough!”
